ITALIAN MEATBALLS

How to Cook:

- Preheat oven to 350°F.
- Arrange frozen meatballs in a single layer on a baking sheet. Bake for 20-25 minutes or until they reach an internal temperature of 165°F.
- For an extra crispy exterior, broil for 2-3 minutes at the end of the cooking time. Let meatballs rest for a few minutes before serving.

Temperature Check: Use a meat thermometer inserted halfway into the meatballs to ensure that the correct temperature is achieved.
