## Instructions for HPNAP Grant 2018 - 2019 Documentation Submission Form

1. Complete top portion of the form indicating the period covered by the documentation being submitted, your 5-digit agency number, your agency name, the category of your grant award, the total amount of your grant award, and the quarter being submitted.
2. Complete one line for each expenditure item submitted as follows:
  - Document Type:** Identify which type of document you are submitting - **INVOICE, TIME SHEET, TIME CARD, STORE RECEIPT, LEASE/USE AGREEMENT or TRAVEL/MILEAGE LOG.**
  - Document Description:** Describe the document submitted including vendor name, invoice number, pay date or other identifying information. If the invoice is paid with a check, indicate the check number in the description as well.
  - Service Period:** Indicate the date(s) when the expenditure was incurred. For example, if listing a National Grid invoice, the period of service is indicated at the top of the invoice as a date range such as July 24, 2016 - August 24, 2016.
  - Document Amount:** Record the total dollar amount of the invoice. This is not the amount you may actually be paying but the actual expense incurred per the invoice.
  - Proof of Payment:** Identify what you are submitting as proof of payment - copy of **CANCELED CHECK, BANK STATEMENT, or THIRD PARTY PAYROLL REGISTER REPORT.**
  - Grant Expenditure Claim:** Identify the amount of expenditure being claimed related to the documents shown on that line. This amount will not necessarily be the same as the invoice amount. Factors that may impact the claim will be dates of service, percentage occupancy, time worked in pay period directly for the EFP (Emergency Food Program), non-qualifying items on invoices, etc. For more than 12 lines, attach additional forms.
3. Total the Grant Expenditure Claim Column to determine the total amount of the claim for this form.
4. Please clearly print or type out your full name under *Submitted by*.
5. Sign and date the form.
6. Attach copies of all related documentation to the Grant Documentation Submission Form in the same order in which they are listed. If any numbers on the Grant Documentation Submission Form do not tie directly to the attached documents, please attach notations to show how the claim amounts were calculated.
