

# FRENCH FRIES

---

FOOD *sense*

## Oven:

- Preheat oven to 425°F.
- Arrange the French fries in a single layer on a baking sheet and bake for 10-13 minutes. No flipping is required.

## Air Fryer:

- Preheat air fryer to 390°F.
- Fill the basket halfway with frozen fries. Air fry for 6-8 minutes, sliding the basket out halfway through to shake and ensure even cooking.
- Serve immediately.

## Deep Fryer:

- Preheat oil to 350°F.
- Place fries in the pan and cook 2- 2.5 minutes.
