

STUFFED SHELLS

FOOD *sense*

How to Cook:

- Preheat oven to 350°F.
- Spread a light layer of pasta sauce at the bottom of a baking dish, add stuffed shells in a single layer.
- Cover the shells entirely with sauce.
- Cover with aluminum foil and bake for 45-60 minutes or until the internal temperature reaches 165°F.

Temperature Check: *Use a meat thermometer inserted at least 1/2 inch into the stuffed shells to ensure that the correct temperature is achieved.*
