

## FRESH FOODS SITE BILL OF RIGHTS

### As a Fresh Food Site that distributes food, you:

- Are able to decide the limits set on each food item you receive based on the number of people receiving the food that day, and the amount of food delivered;
- Are able to refuse service to anyone that is hostile, aggressive or threatening to staff, volunteers, or other guests;
- Are able to serve volunteers in need of food as long as they register as guests and they do not receive preferential treatment or more food than other guests;
- Are able to terminate services of a volunteer if that volunteer does not follow program rules, is disruptive, or disrespectful to staff, other volunteers or guests;
- Are not required to provide services in the distribution facility for the public before the time of distribution begins.
